

## About Us

[Conscious Universe Productions Incorporated](#) with offices in St. Paul, Minnesota and Denver, Colorado is a cooperatively run and community owned Radio, Television, Internet, and Live Event Production and Management Public Benefit Corporation with the sole purpose of insuring that grassroots related, community enhancing, and independent productions with the purpose of expanding human consciousness become a reality.

Certified to meet rigorous standards of social and environmental performance, accountability, and transparency, the team of content creators, educators, writers, digital artists, animators, filmmakers, designers, event experts and other production related professionals band together to engage the mission of reviewing potential media projects to deem them necessary for the public to experience.

CUP sanctioned projects are presented to different independent producers who work to ensure that some piece of initial media is produced to represent the project's core while largely remaining in the hands of the creators.
